Authorized Signatory Department of Agriculture

This permit is issued by the Department of Agriculture pursuant to the provisions of the Import Control Act and is valid until, ____/____/____

The holder of this permit acknowledges and understands that they are responsible for fully complying with their obligations as an Importer under the Import Control Act. As an Importer, you are reminded of the requirement to ensure that the Phytosanitary Certificate/Food Safety Certificate accompanies the shipment of goods. This permit must be presented both to the Agriculture Inspector and representative of the Bahamas Customs Department at the port of entry.

For more information, please contact the Department of Agriculture by emailing agridept@bahamas.gov.bs
